A MONTH

# 2018

# Coordinator in a Cooperation & Development international project. Lortzingstraße / Germany

# 2019

SINCE 2011

# Graphic designer. Ávila / Spain

## Sergio Pérez

I am a social and active person, and, respect and education are the base of my attitude. At work I am serious while at the same time I offer my best smile. I am not scared of challenges and like to find and give solutions. I am of those who think that the wise person is the one who ask the most questions, not the one who speaks the most.

# 2018
